**Dr. Clifford Ashe III
& Audree L. Ashe**

Biography:

Dr. Clifford Ashe III and his wife, Audree L. Ashe, can easily be called a dynamic duo for God. Each has been greatly gifted by God for organizational administration, evangelism, training ministries, and counseling, and each one wholeheartedly supports the other.

While Cliff was developing his pastoring, teaching, and counseling gifts, Audree was also developing her gifts as a Bible teacher, women's ministry leader, counselor, and publisher of a national Christian women's magazine.

Cliff is currently the founding and senior pastor of DaySpring Ministries. He also founded and is CEO of the Mighty Men of Valor Conference and an organization called Arms Around Harrisburg, a church planting, biblical training, and mentoring organization which is already impacting the Harrisburg area. At the same time, Audree is founder and CEO of Victorious Christian Women Ministries and director of Women's Ministry for DaySpring Ministries.

After receiving his training in ministry through Dr. Willie Richardson of Christian Stronghold Baptist Church in Philadelphia, 16 years ago the couple responded to God's calling and moved from Philadelphia to Harrisburg, Pennsylvania, to establish DaySpring Ministries. Starting with only a few families who shared a vision for a church that would be committed to "Bringing People to Healing & Wholeness," the church has grown to some 600 members.

Over the years Cliff and Audree have each developed national conferences that have changed the lives of thousands. Currently, the Mighty Men of Valor (MVM) Conference, which is held in November, is in

its 11th year and looks forward to welcoming 3,000 attendees. Illustrating Audree's cross-gender influence, she has been the first and only woman presenter at the conference. Her sessions at MVM have required expanding spaces to accommodate the demand for her high-impact teaching that have helped men understand their wives' needs and equipped them to meet those needs. In addition, Audree is also preparing for the Victorious Christian Women (VCW) Conference in July 2009.

This couple's commitment to sharing the life-changing truths of the Bible, and the healing that applying these truths brings, comes from their own journey of healing. They would be the first to tell you that God has brought them a mighty long way. So the lessons they share are not just what they have read or heard, they share their own life-lessons everywhere they go.

Cliff and Audree have been married for 41 years. They have two grown children and five grandchildren.
